SKUAST-K
Sher-e-Kashmir University of Agricultural Sciences & Technology of Kashmir

National Mission on Himalayan Studies (NMHS)

03 DAYS TRAINING PROGRAM ON

CIRCULAR BIOTECHNOLOGY APPROACHES FOR WASTE UTILIZATION AND BIOMEDICAL PRODUCT DEVELOPMENT

FROM WASTE TO WEALTH

2 DEC 2026 – 4 DEC 2026

VENUE

Division of Animal Biotechnology

Faculty of Veterinary Sciences & A.H.
SKUAST-K, Shuhama Campus

PROGRAM HIGHLIGHTS

- Hands-on training on waste valorization techniques
- Insight into biomedical product development
- Exposure to circular biotechnology concepts
- Interactive sessions with experts & live demonstrations

CHIEF PATRON

Prof. Nazir A. Ganai
Hon'ble Vice Chancellor, SKUAST-K

CO-PATRONS

Prof. Rihana Habib Kanth
Director Extension, SKUAST-K

Prof. Syed Zameer
Director Research, SKUAST-K

Prof. Riaz Ahmad Shah
Dean, F.V.Sc. & A.H.

COURSE DIRECTOR

Prof. Syed Mudasir Andrabi
Director Innovation and Entrepreneurship, SKUAST-K

ORGANIZING SECRETARY

Dr. Hina Fayaz Bhat
Sr. Assistant Professor, SKUAST-K

CO-ORGANIZERS

Dr. Nadeem Shabir	Assistant Professor, Division of Animal Biotechnology
Dr. Sehar Saleem	Assistant Professor, Division of Animal Biotechnology
Dr. Sheza Farooq	Contractual/Guest Lecturer, Division of Animal Biotechnology
Dr. Gh. Rasool Bhat	Contractual/Guest Lecturer, Division of Animal Biotechnology

WHO CAN APPLY

PG, PhD, Post-doc and early career scientists are eligible to apply.

Participants can apply via the QR code or link provided below.

https://forms.gle/iKHo6scyiC3JY5K69

Confirmation email will be sent by 1 Dec 2026.
