ABOUT THE CONFERENCE

To popularize the use of Mathematics in everyday life and sensitize the scholars as to how Mathematics helps in shaping and framing policies, the Government has been celebrating the Mathematics Day at the national level on the birth anniversary of Srinivasa Ramanujan on 22nd December, who was born on 22nd December, 1887, in Erode, Tamil Nadu, India. He was a self-taught mathematician who left an indelible mark on the field with his intuitive insights and ground breaking discoveries. In recognition of his invaluable contribution, One day National Conference for the Scientists/Students with the theme "Mathematics in Daily Life" shall be organised through the hybrid mode.

Objective of the Conference

- To provide a platform for discussion on the Mathematical issues of common interest
- To discuss the role of Mathematics in Research and in Daily life

ABOUT UNIVERSITY

Sher-e-Kashmir University of Agricultural Sciences and Technology of Kashmir (SKUAST-K) is a multi-campus University with its headquarter at Shalimar Srinagar. Its territorial jurisdictions are defined to Kashmir and Ladakh regions. It has five faculties Viz: Faculty of Agriculture, Faculty of Veterinary Science and Animal Husbandry, Faculty of Fisheries, Faculty of Forestry & Faculty of Horticulture besides College of Temperate Sericulture and college of Agri. Engineering.

ABOUT FACULTY OF AGRICULTURE

The Faculty of Agriculture is one of the five faculties of SKUAST-Kashmir. It was established in 1960 as the erstwhile Govt. Agriculture College. With the establishment of SKUAST IN 1982, the college became a constituent unit of university as Faculty of Agriculture offering UG courses in Agriculture, Forestry, Horticulture and Sericulture. The faculty is spread over an area of 92 hectares with huge physical infrastructure with modern facilities. The faculty of Agriculture consists of 9 divisions Genetics & Plant Breeding, Agronomy, Entomology, Plant Pathology, Horticulture, Agriculture Economics and Statistics, Soil Science, Basic Science and Humanities, Agricultural Extensions and Communication.
