About the Conference

A 3-day National Conference on “Technological Integrations in Agriculture, Veterinary and Ecological Sciences for Viksit Bharat (TIC-2026)” is being organized to give a boost to the Government of India’s initiative of Viksit Krishi Abhiyaan. Viksit Krishi will be an icon of Viksit Bharat and must be substantiated by sustainable and climate resilient Agriculture, Horticulture and Livestock Farming. Interdisciplinary blend of technologies seems mandatory as this is expected to yield transgressive results ushering an era characterized by higher productivity, improved quality, intervention of market intelligence and more profitability. In pursuit of Viksit Bharat, Government of India has taken initiative of Viksit Krishi Abhiyaan seeking integrative transformation of agriculture through innovative technological interventions. To support this and give a scientific back-stopping to the initiative of Govt of India, SIDAVES in association with SKUAST-Kashmir are jointly organizing a 3-day national conference on *Technological Integrations in Agriculture, Veterinary and Ecological Sciences for Viksit Bharat* on 3-5th June, 2026.
