**Subject:- Buy Back of unserviceable/obsolete photocopiers, computer items and tractors**

Sir,

Reference is invited to University Order No. 05 (Accts.) of 2024 dated September 03, 2024 issued vide endorsement No. AU/IAC/PA-2020-23/2024-25/329-388 dated September 03, 2024 whereunder 'Buy-Back Committee' under your chairmanship was constituted.

As per report of the Committee submitted on 04-10-2024, first phase of the Buy back process viz; receipt of the unserviceable/obsolete items, was completed. A copy of the report thereof was endorsed to the Nodal officer, GeM for favour of information and further necessary action at his end. In reply the Nodal Officer, GeM had informed (16/10/2024) that keeping in view the varying nature of items, these cannot be presently executed under buyback or auction through GeM portal and requested that the buyback may be executed through any other means. Accordingly, the Committee was requested to assess the minimum buyback value of all the items.

The Committee co-opted (21-11-2024) four expert members to assist the team in this regard. However, since then almost two months have elapsed and no progress in the matter has been communicated by the Committee so far.

The Committee is, as such, requested to expedite the process and finish the minimum assessed value of the buyback items within a week so that further process for Buy Back is made at the earliest.

Yours faithfully
