Subject: Review of “Research management System” developed under HADP 20

The software application “Research Management System” (Web based application) has been developed under HADP 20, with technical support from ARIS, SKUAST-K. The application developed under the supervision of PI, HADP-20, the then Associate Director, Directorate of Research, aims at providing holistic digital support for information and management of different services provided by Directorate of Research. The application has been reviewed under the chairmanship of I/C ARIS in presence of technical team from Project and ARIS, on the directions of Honourable Vice Chancellor. Before deployment for testing and execution we intend to review it again on 17<sup>th</sup> of June 2026 in Virtual class room of ARIS at 11 AM. Concerned PI & Co-PIs of HADP-20, scientists of Directorate of Research, technical team of ARIS are requested to attend the meeting.

  
I/C ARIS 16/6/26
